

# Hopkinsville Kentuckian.

VOL. XXXII.

HOPKINSVILLE, KENTUCKY, SATURDAY, OCTOBER 29, 1910.

No. 130

## END COMES TO MAJ. BRISTOW

Died at His Home in Elkton  
Yesterday, Aged Seventy-one.

## LEAVES A FAMILY.

Widow Was Formerly Miss  
Emma Thompson, of  
Hopkinsville.

Judge Frank H. Bristow, of Elkton, died yesterday of kidney troubles.

Judge Bristow was 71 years of age and was born and reared in Todd county, and educated at Centre College, Danville. He joined the Union Army at the outbreak of hostilities, and rose to the rank of Major. At the close of the war he returned to Todd county and took up the practice of law. He served several terms as county attorney and county judge, and was for years a prominent figure in Todd county politics. His last public office was that of postmaster of Elkton.

Judge Bristow's family consists of his wife, a daughter, Olivia, and three sons, Francis, of Chicago, Ben, of Louisville, and John, of Elkton. Besides these are two sisters, Mrs. M. M. Gill and Mrs. M. M. Petrie. A brother, Gen. Benj. H. Bristow, was Secretary of the Treasury under Grant, and once came within one vote of securing the Republican nomination for President.

Judge Bristow is a member of the Methodist church, and was superintendent of his Sunday-school for several years.

Mrs. Bristow was before her marriage Miss Emma Thompson, of this city.

## WRONG MAN.

Fred Jackson Called Upon to  
Restore a Gun Left In  
Automobile No. 1651.

Chief of Police Roper yesterday received a complaint to be investigated coming from Erie, Pa. It was stated that recently while John Hakel was hunting not far from Erie he came upon a touring car that had lost its way and he got into the car and piloted the party into Erie. When he left he forgot to get his gun out of the car and the strangers disappeared with it. Hakel says the car was "1651 Ky." By inquiry from the Secretary of State this number was found to be that of Fred Jackson, of Hopkinsville, Ky., and the letter asked that Mr. Jackson be given the address to which the gun could be returned.

Fred Jackson, a prominent young coal merchant, owns a five passenger Olds, 30 H.P. touring car numbered 1651, but neither Mr. Jackson nor his car has been 30 miles from Hopkinsville for months. So far as he knows his car has never been in Pennsylvania at any time in the past, and it certainly has not been since he bought it last spring, in an exchange trade with Sam Frankel, of this city. The State numbers were not put on automobiles until last June. Mr. Hakel is clearly mistaken in the number of the car, he rode in or the Secretary of State has issued the same number to two different parties.

## INDEPENDENT QUILTS.

New Editor Announces The  
Suspension of the Paper.

R. F. Dorr, the new editor of the Hopkinsville Independent, who purchased the plant of the paper about a month ago, announced yesterday that the paper had suspended. It has not appeared since last week. Mr. Dorr says he will prepare a statement covering the suspension, giving his reasons, and ask the local

## THE BAPTIST REVIVAL

The Sledge revival at the Baptist church will probably close tomorrow evening, at the end of the third week. Up to Thursday night there have been 56 additions to the church, about 10 by letter and the rest by experience; nearly all of the converts are adults, many of them men. The interest shows no abatement as the meeting draws near its close.

There will be no services today, but the usual services will be held to-night. Tomorrow there will be

three meetings. The one in the afternoon will be what Mr. Sledge calls an "old fashioned testimony meeting." At the services Sunday a collection will be taken up for the expenses of the meeting, special envelopes for the purpose having been distributed.

Monday night Mr. Sledge will give a stereoscopic lecture on the mountains of Kentucky, in the church.

The meeting is the most successful one held in the church for years.

## MISSING AIRMEN ALIVE AND WELL

Hawley and Post Land in  
Canada and Are Coming  
Home.

New York, Oct. 26.—Alan R. Hawley and August Post, the aeronauts of the balloon America II, for whom search had been prosecuted in the Canadian wilderness, are safe and have established a new world's record for sustaining flight. They traveled approximately 1,350 miles and came to earth in Chicoutimi county, Quebec, on Wednesday last, but were not heard from until today when telegrams sent from St. Ambroise, Quebec, reached New York. The balloonists started from St. Louis with nine other contestants in the International contest on Monday, October 17. All the other balloons have been reported.

Two messages from Hawley, and Post were received in New York early to night. One was to William Hawley, brother of the aeronaut, the other to Samuel F. Perkins, pilot of the balloon Dusseldorf II, which until tonight had been considered the winner.

## TELLS OF SAFETY.

The message to Mr. Hawley read: "Landed in wilderness week ago, fifty miles north of Chicoutimi. Both well."

The Perkins message read: "Landed Paribonka river North Lake Chillogana nineteenth. All well; returning."

With receipt of the news there ended a search which was regarded by many as almost hopeless and in which governments of this country and Canada were indirectly participating.

## Another Aeroplane Fatality.

Rome, Oct. 17.—Another fatal aeroplane accident occurred today on the military grounds of Centoselle, when Lieutenant Saglietti's machine fell while he was some distance from the ground, instantly killing him.

## COUNCIL MEETING

Last Steps Taken to Organize  
Colored Schools.

The City Council met Wednesday night, the meeting having been postponed from Friday night. The settlement with former City Tax Collector, Henry Hurt, for 1908 and 1909 was a special order but was not gone into, further than to appoint a committee to make the settlement by the meeting of November 4 and report to the council. Councilmen Wood and Galbreath were appointed. An adding machine for use by city officials was purchased.

The final steps were taken for the organization of the colored graded schools, the report of the Mayor's appointment of trustees being received and approved. The newly appointed board of trustees was sworn in in a body by City Judge Wood. They are Ned Turner, chairman; C. W. Merriweather, Wm. Norman, Frank Boyd, Peter Postell and Lucian Dade.

Guy Cannon was given a refund of \$234 on his saloon license, having quit business.

Several funeral ceremonies were

## IS MAKING GOOD HEADWAY

In Lowering the Grade of  
the Louisville and Nash-  
ville Railroad.

The McDowell Construction Co. is making such rapid headway on the L. & N. railroad work in the city, that the roadbed for the temporary track will be ready by Tuesday.

The track will then be moved from its present roadbed and the actual work of cutting down the high hill will begin. The present cut of about ten feet at the summit will be deepened 15 feet and the streets at each end of the cut will have overhead crossings.

The Railroad Company is under contract with the city to make good any and all damages done to property while the work is progressing. There will have to be a great deal of heavy blasting, as much of the cut is through stone. It is not believed that it will be necessary for any of the people living close by to move out of their houses, but the railroad company is operating within its legal rights in doing the work and they cannot be stopped upon the complaint of citizens, who must seek redress for damages done to property in the courts. The workmen are of course required to exercise all possible care and to take every precaution to avoid damage, danger or annoyance to citizens, but citizens must understand that the work is bound to be done.

## IDAHO RANCHMAN

Secures a Kentucky Bride  
Through Advertisement.

Ernest Watts, a wealthy young sheep ranchman of Southern Idaho, and Miss Nannie Hester, daughter of Berry Hester, of Roaring Spring, Trigg county, were married there last Tuesday night as a result of the girl's answering an advertisement about three months ago, which Watts had inserted in a newspaper.

Friendly correspondence soon grew up between them and photographs were exchanged, and last week, when Watts went to Chicago to dispose of a large number of sheep, he decided to visit Miss Hester, and arrived there last Saturday. So well pleased were both parties that the wedding was soon agreed to, and at the home of Mrs. Elberta Sowell, sister of the bride, the ceremony was pronounced by the Rev. Samuel Sumner, of the Baptist church of that place.

Mr. and Mrs. Watts will remain at Roaring Spring until the first of next week, when they will go to the groom's ranch to live. The bride is about 23 years old, pretty and talented. The groom is only a few years her senior.

## MAKES 40,000 PRAYERS.

Says That Every One Has  
Been Answered.

Goldenridge, Me., Oct. 29.—Known throughout this section of Maine as "the praying woman of Aroostook," Mrs. Rufina M. Osgood has composed 40,000 prayers, and can repeat every one from memory. She has taught fifty-four terms of common school, and says every one of her

## BRING ON THE NEXT VICTIMS

Hopkinsville And Madison-  
ville Meet on Gridiron.

To-day.

## EYES ON THE CHAMPS.

Will They Allow Themselves  
To be Scored on This  
Time.

The game of football this afternoon between the Hopkinsville and Madisonville teams will in all probability be the most interesting one of the season.

While the Madisonville team is inferior to the Paducah team played last week, the game will probably be closer and more hotly contested, as the Madisonville boys will no doubt put forth their very strongest efforts to defeat the home team. While the teams have agreed to forget old differences, the rivalry in athletics is acute and the game will be to use the language of Rich Harding, the colored speller and banner bearer—"The greatest conflict since the battle of Gettysburg."

There should be no personal bitterness, since both teams are practically new, compared with the old teams of 1909. Of the champions of last year, only three are on the present team. The line-up will be the same as that of last week. Beckner, the same referee from Nashville, will again come over and officiate.

The game will be called at 3 o'clock, as the Madisonville boys will want to return home at six o'clock.

## SLACK EATERS CHESTY.

Thursday's Hustler says: "The Madisonville high school football lads are in fine trim for the game with Hopkinsville high school Saturday. They are practicing hard every afternoon and there is not a member of the team who believes Hopkinsville will win. Every player is confident of the ability of M. H. S. Prof. Collins says that M. H. S. will win unless the unexpected occurs. He says that the game cannot be decided before then and that dope will play little part in the contest. According to dope M. H. S. would lose the game 37 to 0.

Every one who is acquainted with the two teams believes the game will be close and that M. H. S. has a fine chance to carry away the honors. Every defender of the black and maroon is in first class shape, the eleven is working like a well oiled machine and H. H. S. had better realize that they have a game ahead of them."

## CENTRAL

Proves Right to Be Considered  
a Factor In Football.

Danville, Ky., Oct. 27.—Central University again proved its right to be considered seriously in the football championship of the South, when they defeated Tulane University Wednesday afternoon by the score of 35 to 0. Central carried the ball 575 yards while Tulane was able to gain only twenty-nine yards. At no time during the game was Central's goal in danger. Louis Seelbach, Duffy and Ramsay made the touchdowns for Central. Louis Seelbach kicked a field goal from the twenty-yard line. A number of coaches and players from other Kentucky schools witnessed the game. Hinton, of Georgetown, refereed, while Brown, of Yale umpired.

## Hogs Declining.

Many of the farmers are selling their fat hogs on a falling market, fearing still further declines. M. V. Owen got \$8.20 for his, J. W. Lander \$8 and R. C. Gary \$7.90. The best grades sold in Louisville Thursday
